Revised January 2018

Forest Academy

How did you find out about Forest Academy? If referred by an individual, please include their name.

Why do you want your child to attend Forest Academy?

* It is the parent's responsibility to notify school of address or phone number changes.

Please note: In order for a child's application to be considered for the school year during open enrollment, the school must have this completed document on file by the last business day in February. Approximately one week after open enrollment ends, parents will be officially notified by mail of their child's status for enrollment. Openings that occur AFTER the official notification process has been completed will be filled on a first-come, first-serve basis. After receiving the official notification of their child's acceptance in Forest Academy, parents are expected to sign a Release of Records form, and to send it back to the Academy with a copy of the child's birth certificate and most recent immunization records. If there are any questions about this process, parents are encouraged to contact Forest Academy at (269) 488-2315 or the Business Office at (269) 731-5796. Thank you for your interest in Forest Academy!

Enrollment at Forest Academy - a Michigan public school academy chartered by Grand Valley State University in 2011 - is open to all appropriately aged children without regard to gender, ethnic background, disability, and/or religious affiliation.
